Your Local Neighbourhood Policing Team

About us Contact us Stations, contact points and offices On the team Social media News Meetings and events

Every neighbourhood in the Thames Valley area has a dedicated neighbourhood policing team that works together with the local community and partners to: reduce crime and incidents, bring more offenders to justice, protect the vulnerable and tackle violence against women and girls and improve victim service and public confidence.

Neighbourhood policing teams are led by senior police officers and include police officers, Police Community Support Officers (PCSOs), police staff, police support volunteers and the Special Constabulary.

They aim to make communities safer through an approach that is focussed on visibility, engagement, problem solving and community resilience.

You can receive regular updates on local information and incidents in or around your area by signing up to **Thames Valley Alert**.
