

Stonepits Copse – Winter Tidy Up

Saturday 20th January 2024 – 9:30 to 12:30

Request for Volunteers

Stonepits Copse established in 2009, is a maturing "Community Woodland and Nature Reserve" owned and managed by the Parish Council. It is accessed from a footpath starting adjacent to the Flats in the High Street.

The Copse is now in need of its annual winter tidy up.

The main tasks are:

Clearing around the base of some of the trees;

Trimming back some encroaching brambles and scrub;

Planting some new trees which several villagers have been growing on in readiness for planting out.

uppermast.issue.unfair

This is good exercise in a pleasant outdoor setting.

Saturday 20th January - Meeting at the Flats at 9.30am, then walking along the footpath to the site..

Please bring stout gloves and useful tools (loppers, hooks, pruning saws, spades etc).

For more info. Contact David Keene (t: 01908 107059)
