

Draft Sherington Neighbourhood Plan

2025 to 2050

Regulation 14 Submission, August 2025

**“Have
your say”**

The Sherington Neighbourhood Plan was originally adopted as part of the Milton Keynes Development Plan in October 2017. It is time to review our Neighbourhood Plan and bring the policies up to date, reflecting the changing circumstances not only in our village, but also in the wider Milton Keynes area and National Planning Policy.

A consultation draft version of the Sherington Neighbourhood Plan has been produced, that takes the plan period forward to 2050, matching the emerging Milton Keynes City Plan 2050. The Neighbourhood Plan has been revised to remove policies that are no longer relevant, and to update the text to reflect current planning policy.

No new housing allocations have been made, and it is not intended to add any new housing proposals into the Neighbourhood Plan at this time. The plan allows for windfall housing to be delivered within the settlement boundary and retains the housing allocation at Water Lane from the previous plan.

This consultation will run from the 22nd August for 6 weeks until the 3rd October 2025.

The Neighbourhood Plan can be viewed on the Parish Council web site under the planning pages at the following address:

If you do not have access to the internet or have difficulty viewing the Neighbourhood Plan online, a hard copy of the document can be viewed at the Village Hall, the Pavillion, and the White Hart PH, during opening times. To save resources the Parish Council have only printed a limited number of copies, so please do not take the hard copies away.

Comments and suggestions can be made via email to:

clerk@sherington-pc.gov.uk

or alternatively in writing to:

Town Planning Services, The Exchange, Colworth Park, Sharnbrook, Bedfordshire, MK44 1LZ

Following this consultation, comments on the Draft Neighbourhood Plan will be considered and revisions made, as necessary. The Revised Neighbourhood Plan will then be submitted to Milton Keynes Council for independent Examination.

Thank you for taking the time to read the Neighbourhood Plan and have your say.
