### **Enforcement Order Planning Appeal**

---

We are reaching out to inform you about an important Planning Appeal that will be heard on 28 October 2025 at the Coroner's Court at the Civic Offices. This Appeal concerns the Enforcement Order issued against the unauthorised occupation of land to the West of the High Street, close to the Gun Lane junction. The reference number for the appeal is APP/Y0435/C25/3369017, and details can be found here: [Public hearing – APP/Y0435/C/25/3369017 – Land west of High Street, opposite the junction with Gun Lane, Sherington, Milton Keynes, MK16 9PE | Milton Keynes City Council](#)

The Parish Council has applied to be considered an interested party and has made a submission to the Inspectorate, which can be seen on both the Parish Council's website and Facebook page. We have been advised that a strong community response in support of the Enforcement Order, will improve the prospects of it being upheld.

We have also been advised that the best way for residents to submit comments to the Hearing would be for a single submission to be written, which represents the views of the whole community, and for as many people as wish to do so, to put their signature to the submission to be read at the Hearing. This will ensure that the submission is delivered appropriately to the Inspector, and that too many conflicting or repeated points are not made, which might confuse and delay the proceedings.

**We strongly encourage all community members to attend the Hearing and support the Enforcement Order.**

**Your presence and participation are crucial in ensuring that our collective voice is heard.**

**Together, we can make a difference and protect the interests of our community.**
